IT IS MY BELIEF ,AS A CONSUMER, THAT MICROSOFT MUST BE BROKEN INTO SEVERAL DIVISIONS.THEIR SIZE HAS LED THEM TO BELIEVE THAT THEY ARE ABOVE THE THE LAW AND EVEN MORE FRIGHTNING THEY ARE RUTHLESS IN STOPPING COMPETETION. IN RECENT ACTIONS MICRESOFT HAS BEEN TRYING TO CRUSH AN UPSTART COMPANY ,LINDOWS, THAT HAS DEVELOPED AN OPERATING SYSTEM THAT WILL RUN MOST PROGRAMS THAT HAD TO BE RUN ON MICROSOFTS WINDOWS ENVIORMENT. THEY ARE NOW IN COURT TRYING TO STOP THE RELEASE BY SAYING IT LOOKS TOO MUCH LIKE XP. THEY HAVE ALSO HAD THE COURTS GIVE THEM ALL E-MAILS OF PEOPLE THAT HAVE CONTACTED LINDOWS. IS THIS MENT TO INTIMIDATE CONSUMERS??????
